ATMANSYAH LUBIS

AI DATA ANNOTATOR | AI TRAINER | DATA EVALUATOR

Bekasi, West Java, Indonesia | +62 81220803317 | gjkt.1712@gmail.com
LinkedIn: linkedin.com/in/atmansyah-lubis-669543173 | GitHub: github.com/Atmansyah

PROFESSIONAL SUMMARY

Detail-oriented professional with hands-on experience in AI data annotation, video annotation, visual content review, LiDAR parking slot annotation, and robotic motion capture data contribution. Experienced in following annotation guidelines, reviewing content, correcting annotations based on reviewer feedback, evaluating AI responses, comparing output quality, and providing written descriptions and justifications. Brings 12 years of warehouse and logistics experience, including inventory control, stock reconciliation, warehouse reporting, operational supervision, and SOP implementation. Skilled in working with structured instructions, maintaining data accuracy, and handling detail-oriented tasks. Native Indonesian speaker with good English reading and writing proficiency.

CORE COMPETENCIES

Image and Video Annotation | Visual Content Review | LiDAR Parking Slot Annotation | Point Cloud Annotation | Floor Plan Annotation | Robotic Motion Capture Data | Human Activity and Movement Description | AI Response Evaluation | Output Quality Comparison | Annotation Quality Review & Correction | Written Descriptions & Justifications | Data Collection & Verification | Guideline Compliance | Inventory Management | Stock Reconciliation & Reporting | Team Supervision

AI DATA ANNOTATION & EVALUATION EXPERIENCE

AI Data Annotator – Aether Project | Outlier

- Reviewed visual and multimedia content, including image and video materials.
- Performed face-swap review and audio-video quality evaluation tasks.
- Followed project instructions and predefined evaluation criteria, focusing on accuracy and consistency.

Video Annotator – Cribbage Tail Project | Outlier

- Reviewed videos depicting human activities and movements.
- Described actions and movement sequences for AI training purposes.
- Followed annotation guidelines and task-specific instructions.

Floor Plan Annotator | Chemin

- Performed floor plan annotation using the Labelbox web platform.
- Followed project-specific labeling instructions and annotation requirements.

LiDAR Parking Slot Annotation | Chemin

- Annotated parking slots on LiDAR point cloud data using the PCAT web platform, drawing slot polygons in bird's-eye view (BEV) on the ground plane.
- Classified each slot by type (perpendicular, parallel, diagonal, step) following project guidelines.
- Verified slot corners and boundaries against side and rear point cloud views and four surround-view camera images (front, rear, left, right).
- Maintained consistent labeling across densely packed parking areas, including adjacent slots with shared boundaries.

Robotic Motion Capture Data Contributor | Sovrano AI

- Worked on robotic motion capture annotation tasks and described robotic movements and actions from recorded clips.
- Followed task instructions and annotation guidelines for structured movement descriptions.

Email Collector and Data Contributor | ConsultBae

- Collected email data according to project requirements.
- Converted collected email messages into .eml format and followed submission requirements.

Additional AI Evaluation Experience

- Evaluated AI-generated responses and compared response quality.
- Reviewed annotation work and made corrections based on reviewer feedback.
- Provided written descriptions and justifications to support evaluation decisions.

WAREHOUSE & LOGISTICS EXPERIENCE

Warehouse Supervisor | PT Makanan Sehat Nusantara

2015 – 2020

- Managed daily warehouse operations, inventory, and storage activities for food products.
- Monitored stock levels, inventory accuracy, and stock movements; conducted stock opname and stock reconciliation.
- Prepared warehouse and inventory reports using Microsoft Excel.
- Monitored product quality, expiration dates, and damaged goods; coordinated procurement and distribution.
- Implemented warehouse SOPs, trained employees, and supervised a team of more than 20 employees.

Warehouse Supervisor | PT Sundaya Indonesia

2008 – 2015

- Managed daily warehouse operations and inventory control.
- Oversaw receiving, picking, dispatch, and incoming and outgoing shipments.
- Monitored stock distribution, verified shipping documents, and resolved inventory discrepancies.
- Prepared warehouse records and reports; supervised employees and supported SOP compliance.

TOOLS & TECHNICAL SKILLS

Annotation Platforms: Labelbox, PCAT

Project Platforms: Outlier, Sovrano AI, ConsultBae (web platforms)

Office Software: Microsoft Excel (Intermediate), Microsoft Office, Google Workspace

Excel Skills: SUM, AVERAGE, COUNT, Sorting and Filtering, Inventory Reporting

CERTIFICATIONS

- AI Data & Evaluation Scholar – Level I | Sovrano AI
- Data Annotation and Labelling | Corpshore/Jwuma – Score: 70%

EDUCATION

Bachelor's Degree (S1) in Accounting | Gunadarma University

High School Diploma – Social Science | SMA Negeri 1 Bekasi

LANGUAGES

Indonesian: Native

English: Good reading and writing proficiency; conversational speaking.
